A Little about Us

Hello and welcome to Pookie - Wookie, We're Auriel and Harriet, mother and daughter, co-founders of Pookie-Wookie.

Est in 2017, following the birth of Harriet's gorgeous little boy, she decided to leave the corporate world behind so she wouldn't miss out on those precious moments.. So we decided to team together and combine both of our creative strengths and Pookie - Wookie was born!

Handcrafted with Love...

Our ceramics are handmade by us, here in the UK in our Derbyshire and Yorkshire based studios.

They are rolled, stamped, cut, kiln-fired, hand painted, glazed then re-fired.

Each piece is beautifully unique and no two pieces will look the same, each has its own individual character and these qualities contribute to the charm and unique nature of the finished piece.
