# About Emily Ward Art

It's been a journey.

Following my breast cancer diagnosis in 2010, I returned to painting to help me focus on my recovery. I had previously enjoyed working in a Head of Art role empowering and teaching art to disadvantaged groups.

It was a long recovery and with three little children, my rediscovered passion for painting helped me overturn my fears and anxieties and inspired me to create my business Emily Ward Art.

Over the last few years and with the help of the family 'firm' - my three (much bigger) kids I have expanded Emily Ward Art nationally. I have steadily developed and increased my business. My art portfolio continues to expand, from painting local scenes across the North East to now painting landmarks throughout the United Kingdom.

Having enjoyed great feedback from both trade customers and the general public, I now have a range of my products and artwork stocked in gift shops across the country and USA.

I like to pride myself on my approachable manner and enthusiasm. This ensures that my team and I can provide great customer service to both trade and the public whilst always maintaining that personal touch.

I choose to produce my gift range in the UK, using environmentally sound materials. I also support a huge number of charities in a variety of ways.

# Bespoke Designs

We are now offering a unique new service where you, the customer, can request a local landscape specific to your own local region. Customers have seen sales rocket when they have introduced a new bespoke design to their gift and greetings card range.

We have recently created a bespoke image for Wallington National Trust, which has been a great success. This is what Denise Curran, the Retail Buyer, has to say about her experience of working with Emily Ward Art's bespoke service.

**Artwork and set up costs are free for orders over £250.**

“ Emily Ward's artwork is extremely popular across all of our National Trust Shops in the North East. I am based at our Wallington National Trust site. I felt we needed a new image which represented Wallington. After a short conversation with Emily she created a magnificent painting. As soon as I saw the bespoke painting of Wallington I knew it would sell well in our gift shop. Emily's range has proved to be one of our best selling ranges with the introduction of our new bespoke piece we have seen a significant increase in sales. Emily was a pleasure to work with. She was both efficient and very professional and I would not hesitate to work with her again. **Denise Curran - National Trust** ”

# See what customers are saying

Why not let me design that extra special bespoke print and gift to sell in your shop? Your design will be unique to your area and customers.

Working with your suggestions I will design and create an image of an area of local interest to you. My style is unique and like no other artist. I am based in the North East of England but I cover the whole of the UK.

Businesses that I have previously worked with and designed bespoke products for have seen an increase in sales. Below are just a few testimonials.

*"It was an absolute pleasure working with Emily. She has a mind like no other, full of creative ideas for gifts and paintings. After a quick chat with Emily she created a bespoke design for my shop in Tynemouth. I wanted an image which represented Tynemouth and its stunning beaches. She designed an image which perfectly illustrates our famous Tynemouth Longsands beach against a bright orange sunset."*

*This image of Tynemouth Longsands and Emily's Flowers and Woods collection are by far the fastest selling gift products in my shop."*

Debra Munday, Owner, To the Moon and Back, Tynemouth

Claire Baxter, Owner Claire Baxter Gallery, Pateley Bridge, Harrogate, Yorkshire

*"Emily's Art work is one of our best sellers here at the Links Art Gallery in Whitley Bay. I wanted a bespoke piece of art to represent the gallery. After a brief conversation with Emily she created a beautiful image of the Links ."*

*Emily offered me the opportunity to have the image printed onto a wide range of products including greeting cards, framed tiles, tiles with easels, postcards and magnets which she replenishes very quickly as they sell so well."*

Loredana Montalbano, Manager, Links Art Gallery, Whitley Bay

*"Our shop sells a selection of Emily's designs and products. Emily's artwork has always proven to be a good seller over the last couple of years that we have worked together. They are very popular with our customers, who buy for themselves or as gifts for others."*
