Wishing you all a very merry (all be it very early) Christmas! We've been working on this range since last September, and have been itching to share it with you all. While there will always be plenty of trees, wreathes and foliage adorning our Christmas cards, the robin is the hero of the season. As the first bird to return after Winter, it's fitting that this little bird helps us kick off the festive season this April, and at Christmas is a nostalgic symbol of happiness and good fortune. Our palette of rich tones are complimented by bright pops of colour, and we see bold, painterly motifs throughout, in particular on the pom and relations cards. With 8 flat wraps, one new roll wrap and 9 gift bags, we've got Christmas well and truly wrapped up.
