As we welcome spring, also we welcome three new card ranges full of joy and colour to celebrate the season. 'colour block' is a bold, confident range that captures the spirit of home décor trends for bold stripes, block colours and patterned ceramics. 'golden' is everything you'd expect from its name; lashings of gold foil on oversized motifs and soft brights, framed with a grey kraft envelope. Last but not least, 'animal friends' is a range of sketchy, naïve animals adorned with bright, fun poms, for kids and big kids!
