CANDY-COATED.COM

Welcome to Candy Coated Accessories, **luxury lambswool knitted accessories** for you and your home, inspired by geometric patterns and vibrant colours, designed with **sustainability in mind** and **made in Scotland**.

Hi, I'm Fiona, owner of Candy Coated Accessories based in the North East of Scotland. With a background in textile manufacturing since 2006 I use a mix of **traditional techniques and modern design** to develop **distinctive collections** of joyfully bright and bold products for you to cherish.

These range from fully reversible jacquard **knitted scarves**, eye catching pom pom **beanies**, stylish twist **headbands**, super snuggly **hot water bottle covers** and so much more.

FUSION COLLECTION

Fusion is the process of joining two or more things together to form a single entity. In this collection, this idea is reflected in the combination of colours and patterns. The mix of dashes, dots, stripes, and arches creates a truly unique fusion of pattern and colour.

Each product complements the others, incorporating elements of pattern and colour to ensure a cohesive collection. This diverse range includes a fully reversible narrow scarf and a neck warmer snood. The collection is further enhanced by the addition of wrist warmers and a rib twist headband.

We believe this stunning collection is a valuable addition to Candy Coated's existing offerings.

BALANCE COLLECTION

Achieving balance is a common goal for many of us. In creating this design, I aimed to merge various geometric shapes into a pattern that is truly harmonious.

The collection is unified by a gentle grey base, yet each colourway remains distinct, featuring vibrant pattern colours and bold highlights.

The Balance collection includes a wide variety of products, such as twist headbands, patterned hats, two fully reversible scarves, two sizes of hot water bottle covers and lambswool lounge socks.

I believe that the unity of design, colour, and product makes this collection truly special and appealing to everyone.

CANDY COATED ACCESSORIES

CROSSWISE COLLECTION

Inspired by a captivating black and white image where lines seemed to crisscross over and under one another, like an optical illusion. We instantly fell in love, and Crosswise was born.

This bold geometric pattern has its own distinct identity, which is further enhanced by using contrasting colours that make it truly eye-catching.

Crosswise offers a diverse selection of products, including twist headbands, patterned hats, a fully reversible scarf, neck warmer snood, and two sizes of hot water bottle covers.

This collection is full of joy and vibrancy, and we hope that you will enjoy it just as much as we do.
