# Welcome to Gardiners

**Gardiners is a family owned producer of the highest quality, traditional handmade confectionery - established in 1949.**

As an independent company, we specialise in offering an extensive range of award winning, individually wrapped Fudge and Toffees, presented in our uniquely designed embossed gifting tins and cartons.

Our company, from its base in the sleepy village of Lesmahagow in Scotland, has built its reputation over the years and is now one of the leading quality Gifting confectioners not only within the UK markets but also Worldwide.

We pride ourselves in sourcing only the finest ingredients and in our traditional hand-crafted methods of production - while embracing new technologies in packaging, we never compromise on quality.

Care is also taken that all ingredients meet the highest standards that we lay down and that comply with all hygiene and food regulations, ensuring the final product leaves the factory in first class condition. This has earned Gardiners a BRC Quality Accreditation which is a production standard recognised throughout the world.

Our company has continually looked towards innovation as its driving force and has secured exclusive licenses for a number of prestigious global and national brands to further enhance our range and taste offer.

As a family concern and backed by a loyal and local, enthusiastic work force - some of whom are third generation - Gardiners are proud to offer all of our customers care, attention to detail and a personalised service.
