

DEAD SEA DREAM

Relax. Unwind. Renew.

A Journey To Radiant Skin

As a teenager battling persistent acne and eczema, I found little relief in dermatologist-recommended treatments, that only further damaged my skin barrier.

After a transformative trip to the Dead Sea, I discovered the incredible efficacy of Dead Sea minerals, prompting a shift to a more natural and simplistic skincare approach. Integrating Dead Sea Mud and Salt into my routine, brought a gradual improvement in my acne and eczema control, as well as strengthening my skin barrier.

After three years of research and development, I launched Dead Sea Dream in the UK with the simple yet profound mission of healing sensitive and acne-prone skins from the inside out.

Louise Lisztman
Founder & Director

Our mission is to heal sensitive and acne-prone skins from within using the powers of natural Dead Sea minerals.

Inspired by the rituals of the Middle East and designed for modern living, Dead Sea Dream is a new skincare brand dedicated to the pursuit of self-care.

Our initial range of skincare, body care and hair care products has been formulated to pamper yourself from head-to-toe and recreate a spa experience from the comfort of your home.

Inclusivity

We are committed to be and remain gender-neutral and unisex.

Conscious formulations & Recyclable packaging

We pledge to work with companies who share our vision for a responsible approach to beauty.

Giving back to our community

A percentage of our revenue is donated to The Dead Sea Revival Project.

Cruelty Free & Vegan

Our entire product range is paraben-free, SLS-free, and dermatologically tested for sensitive skins.

The Beauty of the Dead Sea

Immerse yourself in the wonders of the Dead Sea, Earth's lowest point at 430 meters below sea level. This extraordinary body of water surpasses all others in salt and essential mineral concentration, boasting potent elements such as Magnesium, Bromide, Calcium, and Potassium.

Renowned for their therapeutic properties, Dead Sea minerals unlock the secrets to profound skin healing. Not only do they deeply detoxify, soothe, and nourish the skin, but they also promote cellular renewal, fortify the skin barrier, and deliver stress relief properties.

Recognising the profound impact of feeling good and wellbeing on skin health. We embrace high concentrations of Dead Sea Salt, Mud and Minerals in all our formula to heal the skin from within, ensuring a holistic approach to skincare.

Konjac Sponge

BENEFITS

- Gently cleanses and exfoliates the skin without excess irritation
- Stimulates blood circulation and promotes cellular renewal
- Suitable for daily use
- 100% biodegradable
- Suitable for hypersensitive skin & skin conditions such as eczema and psoriasis

HOW TO USE

Soak the sponge for about 10 to 20 minutes allowing it to expand and soften. Give the sponge a squeeze to release excess water and then add your go-to cleanser. From there, use the sponge to gently scrub your face in circular motions.

MADE FROM

Made with 100% Natural plant fibre

SKIN TYPES

All genders. Suitable for dry, sensitive, mature, oily and acne-prone skin

Micro Needle Roller

BENEFITS

- Promotes elastin and collagen production
- Softens fine lines and wrinkles
- Removes hyperpigmentation and even skin tone
- Strengthens the skin barrier health
- Improves skin texture

HOW TO USE

Cleanse your skin as normal and exfoliate with your exfoliator of choice. Lightly roll over the roller on clean, dry skin. Moving the roller in one fluid back and forth, covering each face area, then changing the direction to horizontal and diagonal patterns. After this session, apply your hydrating serum of choice.
