Hello and welcome to Rhian John Paintings!

Rhian paints landscapes, florals and animals too, all in bright colours. Her artwork and product collections are both colourful and uplifting, making them the perfect choice when you want to share a bit of happiness with friends and family or simply add a splash of colour to your own home.

Her colourful original artwork hangs on walls all around the world and now we are delighted to offer you some of our collections to sell onto your own customers.

Rhian John Paintings is a husband and wife team with Ian helping out with all non-painting duties.

We pride ourselves on our high level of customer service, please ask if you have any queries.
