Calder Crystals at Harrogate: A World of Wonders Awaits

Discover the Magic of Earth's Finest Crystals, Minerals and Fossils

Join us at the **Home & Gift Buyers' Festival** from **20–23 July 2025** at the Harrogate Convention Centre. As a family-run UK business, Calder Crystals is excited to present our curated collection of exceptional crystals and minerals, perfect for enhancing your product range and captivating your customers.

Our Collection

- **Synergy 12 Crystals:** Discover our exclusive range of Synergy 12 crystals – rare, high-vibration stones known for their powerful metaphysical properties.
- **Rare & Sought-After Mineral Specimens:** Explore hard-to-find treasures like Brazilianite, Phenacite, and unique minerals from Namibia – highly prized by collectors and crystal enthusiasts alike.
- **Crystal Bracelets & Mala Necklaces:** Choose from a vast selection of ready-made designs or create your own. All pieces can be tailored to your specifications.
- **Extensive Gemstone Beads:** We offer a wide variety of high-quality gemstone beads – ideal for jewellers, designers, and crafters.
- **Crystal Carvings, Shapes & Decorative Pieces:** Featuring beautifully crafted points, hearts, spheres, and freeforms in stunning varieties such as Blue Lace Agate, Fluorite, Labradorite, Larimar, Malachite, Pink Amethyst, and Rhodochrosite. Each piece showcases the unique beauty of natural crystal formations.

Why Calder Crystals?

- **Global Sourcing:** We travel the world to bring you the finest crystals from renowned locations.
- **Expertise:** Our team includes a Registered Gemmologist and certified Crystal Healer, ensuring quality and authenticity.

- **Family Values:** As a family-run business, we are committed to providing personalized service and fostering lasting relationships.
-
