

A collection of handmade Mother's Day cards and decorations on a pink background. The cards feature various designs: one says "MUM" on a brown card with a floral heart; another says "love you mum" on a green and white striped card with a smiling flower; a third says "Happy Mother's Day" on a brown card with a heart-shaped paper cutout; and others have pink and purple stripes with hearts. There are also small heart-shaped wooden charms, a keychain with a heart, and a small key in a pink tray.
