About Us

Trampoline is an online B2B platform designed to simplify cross-border home décor sourcing for independent retailers and interior designers. We understand that as an independent retailer or interior designer, you juggle multiple roles—buyer, marketer, merchandiser, creative director and more. To minimise the challenges associated with complex sourcing, Trampoline offers:

Freedom from High Minimum Order Quantities (MOQs): Purchase only the quantities you need, whether it's a few pieces or an entire container.

Access to Exclusive Designs: We offer unique, design-led products that help your business stand out in a crowded market.

Simplified Logistics: Our streamlined processes handle the complexities of shipping, customs, and quality control, ensuring a hassle-free experience from order to delivery.

Commitment to Quality: We partner with reliable suppliers to provide consistent, high-quality products, safeguarding your reputation with your customers.

Manufacturer-Direct Pricing: Enjoy the pricing benefits of going directly to factories—without the overhead or logistical complexity of overseas sourcing.

Pixel Collection

Style, simplicity, and sophistication – that's the Pixel Collection at its best! The ensemble comprises cabinets, a console table, and side tables crafted from premium mango wood in cool cottage-green front panels. It's the perfect fusion of modern flair and eclectic chic, designed to stand out in any room.

A warm-toned photograph of a minimalist bedroom. On the right, a light-colored wooden bedside table with rounded corners and two drawers stands on thin legs. The drawers feature a woven rattan front panel with a small circular pull. On top of the table are a small round white clock, a small woven basket, and a light-colored ceramic vase. To the left, a bed is partially visible, covered with a thick, textured, light-colored blanket. The background is a plain, light-colored wall.

Dylan

Collection

The Dylan collection, comprising a bedside table and cabinet, brings a warm, natural aesthetic to your space. Crafted from mango wood with soft curved edges, it embodies the Japandi and boho style perfectly. The natural finish highlights the wood's grain, while the rattan panels on the drawers add organic texture and charm.
