

Introducing
simon drew
for **CATH TATE**

trade.cathtatecards.com

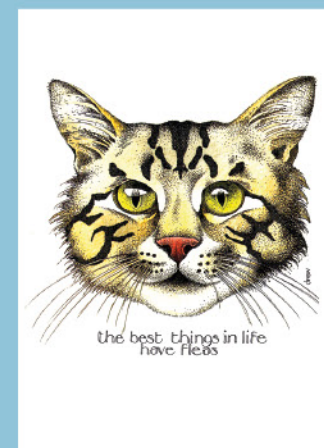

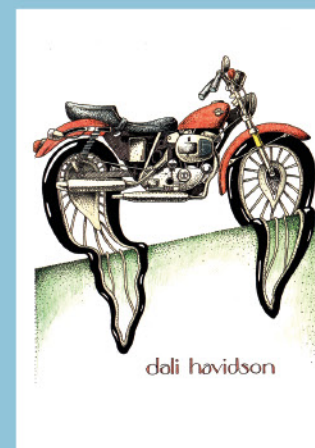

We are excited to announce that we are now the distributors
of greeting cards by artist Simon Drew, surrealist
humour extraordinary!

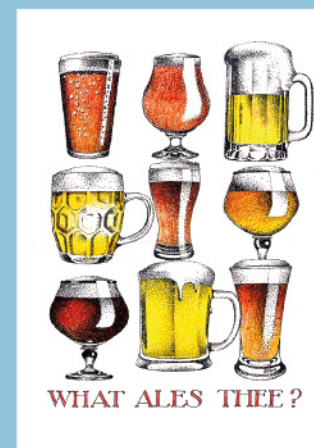

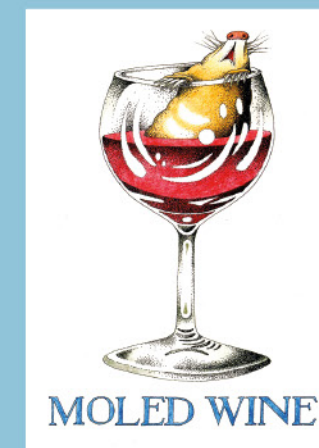

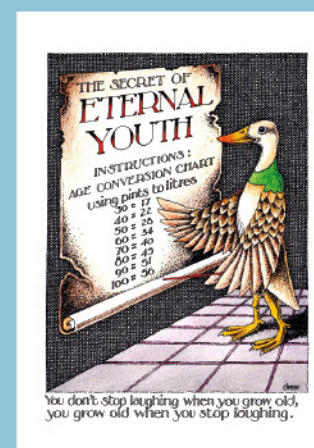

Simon's humorous and off-beat, slightly eccentric designs are as colourful as he is (indeed he has often sported hair of various shades from pillar box red to a bright grass green).

Hand drawn in ink by Simon, his designs often feature his beloved dog Socket, and an array of various wildlife including many ducks, puffins, pigs, dogs, cats - the list goes on!

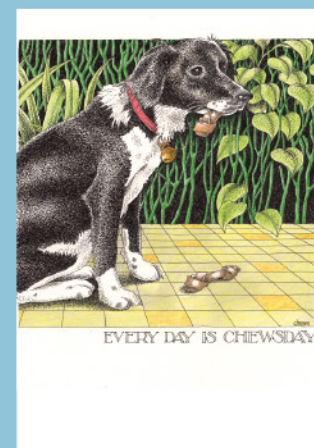

These designs are perfect for those who feel an urgent need to make fun of the world, Simon's sideways look at the world will always raise a smile!

Champagne

"I drink champagne when I'm happy and when I'm sad. Sometimes I drink it when I'm alone. When I have company I consider it obligatory. I trifle with it if I'm not hungry and drink it when I am. Otherwise I never touch it - unless I'm thirsty"
