Welcome to the Cath Tate 2025 Spring catalogue-bursting with brilliant new products for 2025!

We are a family run business, led by mother-daughter duo Cath and Rosie Tate. With over 40 years as a prominent name in the greetings card market, we work with a small team of likeminded women in our London office to produce reliably witty greeting cards and gifts designed to make you laugh.

We're proud to work with an ever-growing community of contemporary designers and artists to produce new cards, captions and concepts all year round.

All our cards are printed in the UK on 100% recycled paper.

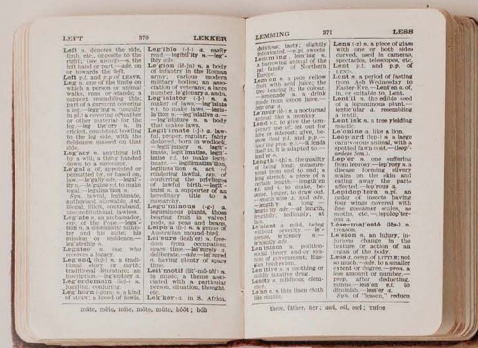

We hope you enjoy discovering our collections just as much as we enjoy publishing them. If they make you smile; we're doing something right!
