

WHOLESALE 2025 Collection

Welcome to Make

Hello, I'm Amy,
the creator of Make Harrogate.

At Make, I've built a brand that celebrates individuality and quality. Each pair of earrings is thoughtfully handcrafted to ensure every piece is **unique** - no two are exactly alike. Using surgical-quality steel, my designs are **hypoallergenic**, **lightweight** (even lighter than a 10p piece), and perfect for sensitive ears.

I started Make over three years ago as a busy mum searching for earrings that were stylish, comfortable, and versatile. When I couldn't find them, I decided to create them myself. Today, my business focuses on providing **affordable**, **fashionable** jewellery that help people feel confident and effortlessly put together.

Make's designs have a broad appeal (from dainty studs to bold statement pieces) making them ideal for shoppers seeking something special. I'm passionate about sharing these handcrafted creations with more people, and I would be thrilled to bring them to your audience.
