formerly My Little Eco Bag

The sustainable stretchy tote that is taking the market by storm

Introduced to the the wholesale market in 2024, the business has grown rapidly, with an unrivalled re-order rate of 95% and many of those within weeks of receiving their first order. “Help! I’ve sold out!” is a cry we hear often.

With 2 new product launches a year, your customers will never tire of our offering and our bags are proving as popular to buy for oneself as to buy as a gift.
