## *The natural choice*

Consumers are growing ever more conscious of waste plastic across the planet. This awareness is amplified with societal demands that materials ought to last longer and have less of an impact on the environment.

Olnatur is manufactured from specific materials based on their sustainability and are produced with minimal environmental impact, i.e. no chemical fertilizers are used. Bamboo, Hemp, Ramie, Sisal, Cactus, Sea Sponge and Loofah are some of the natural materials included in our range.

Natural materials are not only better for the planet but they are also kinder to your skin.

Natural fibres and bristles cleanse, exfoliate, scrub, smooth and soften your skin - helping it to remain healthy, beautiful and attractive.

# Olnatur: The natural choice

## Bamboo:

Bamboo is naturally anti - bacterial. It is used in bathing products by crushing the woody parts of the plant allowing the enzymes to break the bamboo walls into a mass from which the natural fibres are combed and spun into yarn.

**Rating:** Gentle cleansing and Exfoliation - Rating 1

## Ramie:

Ramie, plant of the nettle family is highly sustainable and one of the strongest natural fibres available.

**Rating:** Gentle cleansing and Exfoliation - Rating 1

## Hemp:

Hemp is naturally anti - microbial, speedily growing plant. Products are made from the long fibres of the Cannabis Sativa plant.

**Rating:** Medium cleansing and Exfoliation - Rating 2

## Sisal:

Extracted from the Agave plant's leaves, Sisal gives us one of nature's most robust natural fibres, is highly durable and totally biodegradable.

**Rating:** Intense cleansing and Exfoliation - Rating 3

## Cactus Bristles:

Mexican cactus bristle improves with age and are some of the firmest natural bristles obtained from nature.

**Rating:** Intense cleansing and Exfoliation - Rating 3

## Sea Sponge:

Sustainably harvested from the Ocean. Natural sponges are long

lasting and contain minerals which benefit the skin.

**Rating:** Medium cleansing and Exfoliation - Rating 2

## Loofah:

Loofah's are dried out gourds which have a distinct fibrous texture and are ideal for the removal of dead skin cells.

**Rating:** Intense cleansing and Exfoliation - Rating 3

## Linen:

Extracted from flax plant, the cellulose fibres in linen yarn are longer and wrapped tighter than that of cotton keeping linen rigid and enhancing its durability and strength.

**Rating:** Medium cleansing and Exfoliation - Rating 2
