Issue 27

### Our Story so far:

Since its inception in 2019, Alice Wheeler London has been a hotbed of creative energy. The initial foray into the world of accessories is just the beginning, and we take pride in knowing we have since grown into the respected and trusted brand we are today.

Welcome to Volume 12, and Alice Wheeler London 2025 autumn/winter edition, forever your trusty handbook and faithful reference point.

### This season's fashion.

For the new seasons collection this autumn, is a time to re-imagine your wardrobe with a considered colour palette and amazing accessory designs, with a refined and elegant collation of Chocolate, Berry and Olive's, offering a more laid-back and warmer alternative to black. And once again, let's not forget our mainstay colourways and continuity ranges, forever proven winners within Alice's signature and beauty collections, a one stop shop for all you will ever need.

**Kensington** is simply luxurious; thoughtfully designed pieces using our latest production techniques and skills to create a chic and sophisticated collection to enhance your everyday and look fabulous.

**Sloane**, using only the best materials is crucial in our mission, and Sloane combines the finest vegan leathers, where craftsmanship blends a traditional approach with a modern twist creating a stunning range of accessories to refine your style whatever the occasion.

**Ascot**, brings a new style of shoulder/cross body to Alice's fashion collection, combining our latest textured vegan leather with a rich autumnal colourway palette creating the perfect accessory to complement every occasion.

**The Mini Soho CBB** by Alice Wheeler London is re-imagined, with a totally new vibe. Available in an array of classic and chic colours, and our latest webbing strap with branding has transformed one of our favourite designs into a must have range we know will be on every one's wish list this season.

**Animal Print** is a super capsule range of Zebra and Leopard textured prints and vegan Nappa leather

combinations to create this fabulous boutique collection. See pages 85-86 for more details, as they're a real must have for this autumn.

Inspired by our many travels; Autumn introduces **Primrose**, a versatile and super lightweight backpack to complement Alice's travel collection. Together with the Sloane Tote in two sizes and the latest **Brompton** purse, the range is available across five of our classic autumnal colourways with the addition of a vibrant Teal. This is a fabulous everyday range of accessories, perfect for everyday and created to pack neatly into your case to accompany you on your own adventures.

**Autumn Gift's:** our collection of gift solutions continues this autumn with a fabulous range of 3pc sets featuring Alice Wheeler branded pen, Key ring and card holders, housed in a clear window box and available across our main stay colour palette and complements the wide range of gift accessories, proven winners already available this season.

**Beauty:** Finally, lets give a big shout out to the Alice Wheeler Train Case, we're *biased of course*, but we believe the best quality beauty/travel case available in the market.

This season introduces a wild animal print collection; we have re-established our small train/brush cases in seven of our coolest colourways and adding further colours to our amazingly successful compact mirrors, a guaranteed gift accessory you shouldn't be without.

### Our Philosophy:

The father of the arts and Crafts movement, William Morris, famously said: *'Have nothing in your home that you do not know to be useful or believe to be beautiful'*.

We too, believe Alice Wheeler accessories should be functional and beautiful in equal measure, joyful creations developed by expert artisanry to complement any wardrobe or any occasion. Whether our timeless classics or fresh and innovative designs, our philosophy is unchanging, 'to create beautiful accessories, using our finest materials and latest techniques without compromise, and with an unwavering dedication to excellence always.

This is our promise!
