

SUZANNE RAFFELLINI GLASS ARTIST

Suzanne Raffellini is a glass artist working with both stained and fused glass.

Exploring glass as a medium to create a range of items from jewellery to stained glass windows and fused glass sculptures.

SUZANNE RAFFELLINI
GLASS ARTIST

Suzanne's work draws inspiration from the Buckinghamshire countryside around where she lives.

She is fascinated by the human emotional response to the colours of glass and her work explores the interaction of light with glass and how the emotional response of the viewer changes with change in the quality of the light interacting with glass.
