VEGGIE & VEGAN

Our biggest question asked by our customers is 'are your products suitable for vegans'? They all are, however, they were designed for meat and the application and packaging reflect that. So we used our knowledge in making meat taste even better and applied this to vegetables.

So we have created five rubs and gifts to really enhance the vegetables through grilling, roasting, dusting and slow cooking. To use as part of a Plant-Based diet.

The Veggie Roast Dinner Kit won Gift of the Year 2020 so we must be doing something right!
