2022 Spring/
Summer

We are a business for good

At The Crafty Kit Company, we're on a mission to enhance lives through inspiration, creativity and fun. When you buy a craft kit from us, you're making amazing things happen for the people and places that need it most.

We're proud to be the first craft & hobby business in the UK to partner with B1G1 Business for Good. For every kit that we produce, we donate one 'impact' to a project in line with the 17 sustainable goals set by global leaders.

We've made over **210,714** Giving Impacts

Welcome

Hello and welcome to our brochure for Spring/Summer 2022, containing all of our best-selling favourites, as well as brand new designs we think your customers will love!

In recent times we've all become more conscious of our impact on the environment and the world around us, and here at The Crafty Kit Company we've been working hard to make our products and packaging as sustainable as possible. All of our needle felting kits now contain recycled foam felting pads, and our felting needles now come securely wrapped in glassine envelopes which are made in the UK and are biodegradable and recyclable.

Recently, we were thrilled again to be a finalist for Gift of the Year 2022 for our cute Little Teddy kit (page 12) and to be voted Best Sustainable Craft Company in the Craft Business Awards for the second year in a row. So your customers can be reassured that when they purchase one of our kits, they're also making a sustainable choice!

As the days become longer, and flowers begin to appear in our gardens and hedgerows, we've been inspired by the beauty of the British countryside, and inside this brochure you'll find beautiful new felt flower kits that can be enjoyed all year round.

Last but not least, there's plenty to appeal to wildlife lovers in our new 'Animal Families' needle felting kits, such as our adorable little Duck & Ducklings, which we think will be a firm favourite this year!
