Use as a Cushion
or Pillow

Unzips to a large
Quilt or Blanket

- Use as a cushion or quilted blanket
- Transforms in seconds
- Stylish and space saving
- Available in Grey, Pink and Ochre

Quishion is the smart, comfy quilt-cushion that will keep you warm and cosy as well as save on space. Use it as a soft sofa cushion or unfold it to become a cozy, quilted blanket or bed quilt. Then, it just folds back into a cushion again, in seconds!

iBeani® Bedside Pocket

Keep your bedroom tidy and organised with the iBeani bedside storage pocket, made from a soft, high quality felt. A handy and discreet way to have your essentials close to hand. To use, simply slide the holding flap under your mattress and it will be held securely in place.

- Convenient bedside storage
- Keep essentials close to hand
- Tidy and organise:
Books, magazines, notebooks, tablets, mobile devices, reading glasses, remote controls and pens.

5 Large Pockets

Soft Material

iBeani® Adjustable Aluminium Laptop Stand

The iBeani laptop stand turns your laptop into a height-adjustable workstation for the perfect way to work from home! Made from elegant aluminium, the adjustable mechanism allows you to set it to any height you like. You can add a full-sized keyboard and position the screen to the ideal angle for you. When you're finished it folds down to just 4cm so you can store it out of the way.
