QUIET Moments

We know peaceful moments can be hard to come by. This collection focuses on centering ones self through self care. Succulents are very on trend and what better way to give a gift of mindfulness that breathes calm into any room.

Succulent Oil Diffusers

These hand-sculpted stoneware succulents relax the senses through aromatherapy. Slowly diffusing essential oils, each succulent features an individually crafted ceramic pot. With sentiments for meaningful moments or relationships, they're perfect gifts for the home or office.

MEANINGFUL Moments

Our busy lives can make it hard to find quality time with the ones we love. That's why even the simplest ways we connect are important. This collection encourages those connections, sharing a variety of ways to gift. Discover the special meaning behind special occasions with your loved ones.

Plant Kindness

Artist Lori Siebert loves how plants make a house feel like a home, not to mention how perfect they are for gifting. These life-like, no-fuss succulents feature Lori's hand-lettered, uplifting verses.
