BEAU & ELLIOT

Introducing 'Mini Confetti' the brand new collection of must have items for lunch and dining on the go. Featuring our iconic Confetti Heart design, the range brings together a selection of innovative and stylish solutions for transporting food and drink while away from home, whether that's the morning commute, a trip to the gym or just simply saving money by prepping your own lunch and saving on those expensive coffee shop take outs

BEAU & ELLIOT

Don't let your daily commute turn into a grind. Our 300ml Travel Mugs are made from stainless steel and insulated to keep your favourite drink nice and hot for your journey to work. With its matching Drinks Bottle and Food Flask you can take everything with you for the day ahead keeping your food and drink hot or cold. The range has also been designed to mix and match with our 'Block Colour' range, so whether you want our signature 'Mini Confetti' range or something a little more classic we have all the options covered.

BEAU & ELLIOT

Introducing 'Block Colour' the brand new collection of must have items for lunch and dining on the go. By combining classic navy with tones of aqua and fuchsia we have created a simple but sophisticated look where simplicity of design is balanced with the practicality of the products they are featured on. The range has also been designed to perfectly coordinate with our 'Mini Confetti' range making it ideal as a highly impactful mix and match collection

Introducing 'Boho' the brand new collection of lunch on the go essentials from Beau & Elliot. Inspired by the emerging trend for all things retro, 'Boho' brings a touch of 70's nostalgia to lunchtime dining with bold flowers, retro colours and our signature 'Confetti Hearts' design recreated across a range of lunch on the go options to keep you equipped for the day ahead.

NEW

The 'Boho' range includes our signature 7L Luxury insulated Tote and our 2 in 1 Convertible bag for the ultimate way to carry your lunch. Our mix and match range is complimented with a 500ml stainless steel Drinks Bottle, 300ml Travel Mug and 500ml Food Flask for keeping soups and snacks hot throughout the day.

NEW
AW22

'Manhattan', the new range of lunch on the go and dashboard dining options designed for discerning gentlemen. Inspired by the Art Deco era of 1920's New York, 'Manhattan' symbolises the elegant and retro designs of its age with a sophisticated graphic pattern brought to life on an oversized Lunch Bag, 650ml Drinks Bottle and 350ml Travel Mug
