CATALOGUE 2022

explore discover learn enjoy

Welcome to Brainstorm! For 27 years our toys have been inspiring children to develop an understanding of the natural world, a fascination with science and creativity, and a love of outdoor adventures! 

In 2021 we started the journey of moving our products into plastic-free packaging and for 2022 we are working towards a net-zero target.

This trade catalogue is packed with fascinating products, so make sure you look out for the  symbol that highlights our new items.

- We have added many items to our best-selling Brainstorm Toys brand.
- PAW Patrol, Blue's Clues & You! plus Wizard & Dragon are new additions to our ever-popular torch collection.
- We are pleased to further expand our EUGY range of eco-friendly, super-cute collectables.
- StikBot and KLIKBOT continue to encourage creativity with additions to both ranges.

Our **TV advertised** lines are highlighted by this  symbol.

Aqua Dragons

AQUA DRAGONS

Hatch and care for your own prehistoric pets. Aqua Dragons kits contain eggs that hatch into real live aquatic creatures. Just add water and they miraculously hatch in just 2-3 days. They can grow to up to 2cm long.

Aqua Dragons have been on Earth for millions of years and were even around at the same time as the dinosaurs!

UNDERWATER WORLD EGSPRESS

At a competitive price point, this fun 140 x 100mm egg-shaped tank comes with everything you need to hatch and grow your own underwater pets. In a 151 x 98 x 98mm eco box.
