SADDLER

WITH A LOVE FOR LEATHER AND A CRAVING FOR COLOUR....

We aim to provide quality, statement accessories for women that are almost entirely handmade; timeless classics with a hint of fun. Born from a family with over 100 years' experience in the Leather Industry and over 30 years with SADDLER, our passion for design and quality remains core to our mission. We focus on Real Leather and as trends evolve, so do our styles, contemporary classics in sharp colours that take you from season to season, year in, year out.

We want to offer products that are accessible to all and believe in providing our customers with an exclusive experience from start to finish - from that first browse to the first touch of soft quality leather used across all our products.

All products are now RFID protected where indicated
