# A COLOUR STORY

## **BRITISH COLOUR STANDARD®**

The art/design team of Jackie Piper & Victoria Whitbread have a shared love of colour & material exploration. Discovering an old colour dictionary in an Oxfam shop began a journey to re-establish this long forgotten brand. A treasure trove of colour & rich history revived in 2015; first established 1931.

## ANIMAL SCULPTURE CANDLES

# HAND-POURED, ECO ANIMAL SCULPTURE CANDLE

|      |          |             |                         |
|------|----------|-------------|-------------------------|
| Lion | H 160mm  | 4 per Inner | Burn Time 74-78 Hours   |
| Wolf | H 165 mm | 4 per Inner | Burn Time 82-85 Hours   |
| Bear | H 180 mm | 4 per Inner | Burn Time 110-115 Hours |

*Colour Quote: A colour standardised in 1934, from the rose 'Paul Neyron', established in 1869. A typical 'cabbage rose', with large, fragrant, rich pink flowers. A strong, rich, pink.*

# LUXURY PAINT

Conceived in 1931 by the British Council, cloth-bound earthy green 'dictionaries of colour' crammed with 100's of brightly dyed silk ribbons were created to standardise colour reproduction throughout The British Commonwealth.

Revised and brought back to life and into the home for the 21st Century, British Colour Standard® have carefully restored this iconic collection of bold historic tones and hues for contemporary living.

Launching with 60 glorious rich colours, we offer Interior Eggshell, Exterior Eggshell & Matt Emulsion for our first collections.

Available sizes include test-pots, 1 Litre, 2.5 Litre & 5 Litres.

Our eco water-based paint is manufactured by a top quality UK producer.

Rich with pigments, the paint achieves exceptional depth of colour with a wonderful creamy consistency delivering excellent performance, coverage and levels of durability.

Decorate your home or transform a piece of furniture with British Colour Standard® Luxury Paint.

# BEHIND THE BRAND

Born from a desire to source & design beautiful things responsibly.  
We work with Fair Trade & carefully audited workshops using natural,  
recyclable & waste materials in new & wonderful ways.  
Supporting the community & the planet we aim to inspire & inform.  
British Colour Standard leads the field in colourful, eco-conscious  
homewares & gifts.

## Waste Wood

Hand-turned using waste offcuts from furniture production, that would otherwise have been burnt or chipped, painted in an array of BCS colours.

## Hand Blown Glass

Crafted using traditional blowing techniques, made from recycled glass & 100% recyclable.

## Candleplatters

Made from powder-coated steel, 100% recyclable as metal recycles forever.

## Eco Wax Candles

Hand poured & crafted in Indonesia in a co-operative, investing to enable self-sustainability. The wax is harvested from a plantation that is over 100 years old & fully sustainable.

## Natural & Silky Jute

Crafted in Bangladesh the jute is sustainably grown & harvested. Made in a predominantly female co-operative, investing to enable self-sustainability.

## Water-based Paint

Crafted in a British factory making paint for a 100 years; the paint has a rich, creamy, flat finish. The metal tins can be rinsed with water & are 100% recyclable.

## BCS Kraft Packaging

All our packaging is made from natural, unbleached & unlaminated kraft board with only 1 colour black print. This enables easy & full recyclability of all our boxes.

## World Fair Trade Organization

Made under fair wages & working conditions, supporting the development of working communities, following the accredited principles of the world fair trade organization.

## **UK & Europe Terms and Conditions - Please Read Carefully**

We ship to UK and most European countries.

### **Shipping- General & UK**

For all UK Mainland deliveries there is a minimum delivery charge of £10.00 + VAT.

For UK customers there is carriage paid at orders over £400.00

### **Rest of Europe/Euro Orders**

Euro orders carry a €200 minimum order with shipping added on at 10% of the total order cost.

**BREXIT-** Now the UK has left the EU, there are additional shipping paperwork costs and taxes & duties payable, by the purchaser. These vary country to country and depending on the manufacturing origin of the goods exported. These will be calculated in addition to order cost.

Orders will be a registered delivery that will require a signature upon delivery. If no one is available at the delivery address to sign for the goods, the delivery company will leave a card. Simply call the number on the card quoting the card reference number to re-arrange delivery at a more suitable time. If the delivery company is unable to deliver and you do not contact them within 48 hours, a re-delivery charge will be incurred - (this is the shippers terms and cost price to Designed In Colour for doing this). If you cancel your order once we have attempted delivery you will be charged for delivery costs.

The above re-delivery charges are applicable to orders outside the UK but will incur differing costs depending on country.

With regard to breakages - please see section at the bottom of the page.

1. UK Mainland - Delivery time 3 - 7 working days
2. EU countries - Delivery time 5 - 10 working days.

### **Important - all customers**

If customers wish to change an order once placed, email us immediately on [sales@designedcolour.com](mailto:sales@designedcolour.com) and we will endeavour to help, but please be aware that order confirmations are sent directly to our warehouse for dispatch and outside working hours and during holiday this might not be possible to control.

Also be aware that Designed In Colour is based in the UK and therefore time differences might occur.

### **Shipping Europe**

Our warehouse is located in the UK for All European dispatch so please allow good time for orders to arrive with you.

Please note that goods shipped outside EU regulated countries such as CH or Norway, customers will be liable to pay duties on good imported.

Designed In Colour LTD will not be held responsible for any charges related to this .

### **Duties and Taxes**

Orders shipped to destinations outside the UK and the EU may/ will incur duties and taxes, which may be due at the time of delivery.

These are not calculated during checkout and are not collected by Designed In Colour LTD.

### **The Designed In Colour LTD Commitment.**

We will endeavour to despatch goods as promptly as possible.

The maximum period of delivery would be within 14 working days, unless specifically agreed with you the customer. If any item you have chosen is unavailable, we aim to contact you via your e-mail address or via phone within 48 hours (Monday to Friday).

Please note that our couriers deliver during the working day so if you are not at home please supply us with a daytime address for deliveries.

### **Complaints**

Should you have a complaint of any nature, no matter how big or small, then please do not hesitate to contact a member of our customer service team as soon as possible on the details below. All communications will remain totally confidential and will be dealt with promptly (usually within 48 hours Monday to Fridays) and fairly.

We will then endeavour to keep you completely informed with the progress.

### **Returns**

If you wish to return an order once the goods have arrived, then we can exchange them / refund you once the 'undamaged' products have arrived back at the agreed return destination, however the customer is liable for all shipping costs.

Please make sure you have a proof of delivery as we cannot refund you for lost goods in transit.

Please send photograph of products if a flaw is found to assist us with progressing any returns of this nature.

### **Breakages**

If a breakage should occur, please do not throw the item away.

Keep it in it's packaging and inform us of the problem within 7 days of receiving the goods otherwise we cannot be held responsible for damage incurred.

The shippers might want to collect the items.

In addition to this photographs are a great help to us, so remember to please keep the faulty goods until we have resolved the issue.
