

HAYASHI®

2022 COLLECTION

Our Story

HAYASHI (noun) – Meaning: Japanese word for 'forest'.

HAYASHI, based in Dorset, UK, was conceived from the desire to offer contemporary, sustainable and beautiful products designed to enhance everyday living, from home to work.

From conception to creation, we ensure we create products that do not just look stylish, but are durable and have minimal impact on the environment too.

Inspired by a clean, minimalist aesthetic, our range offers environmentally friendly alternatives to functional products that can help with a more sustainable life.
