AUTUMN/WINTER  
2022

# PLAN IT. HOST IT. LOVE IT.

Talking Tables was founded on the belief that time together is the best of times. As we look forward to the season of celebrations I've found myself reflecting how recent months have reminded me of this fundamental truth.

The glorious way we came together to celebrate the Platinum Jubilee displayed the pent-up demand for gathering as well as an occasion to toast Her Majesty. At Talking Tables we have always desired that as many people as possible experience the joys of gathering together. We know that for many elderly people their social connections diminish over the years. So I was delighted when we threw a summer party for the elderly local community and also took the important step of sponsoring Re-engage. This brilliant charity is dedicated to tackling social isolation in older people living alone and we'll be working with them via their volunteer-led tea parties.

At the other end of the age spectrum, we're committed to ensuring that the children of today inherit a habitable planet. Talking Tables has exceeded the criteria for becoming a B Corporation – the Gold Standard for companies doing good – and are awaiting certification. We continue to make environmental inroads – this AW, for example, 91 per cent of our collections are plastic free.

I hope you enjoy our seasonal collections and wish you well.

# MIDNIGHT FOREST

Midnight Forest combines the interiors trend for rich darker colours and shades of green, with the ever growing love of getting closer to nature, here expressed with fauna motifs especially ferns, berries and fungi. We have used hand painted botanical imagery on a dark background.

# MAJESTIC MARBLE

The Majestic Marble collection is inspired by the resurgence of the ongoing marbling trend, which has moved on from natural to more vibrant colours. With a nod to the 70s, it's a sophisticated way to add texture and rich colour to the table.

## TRIVIA & GAMES

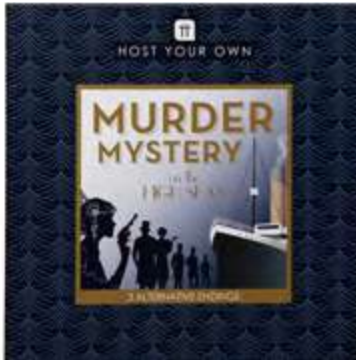

Let the games continue... Our games are designed to last; enjoy, replay and give away for further play. We're also offsetting the paper used to make them with tree planting. We think that's a tree-mendous idea.

## KIDS GAMES & PUZZLES

Our School of Fish collection educates children through play on plastic usage and the need to care for our ocean. Five per cent of the wholesale price of each game goes to the Ocean Generation charity, whose aim is 'to restore a healthy relationship between humanity and the ocean'. Everything in the collection is 100% plastic free, using a varnish finish rather than laminate. The games are also recyclable and are FSC accredited, meaning the paper they are made from comes from sustainably managed forests.

## JIGSAW PUZZLES

Our puzzles feature original designs and are predominately made in Europe. All are made using FSC approved card and are recyclable. Our puzzlers often like to frame them and so we include QR codes on the boxes to a video showing how to do this. All puzzles include 20 trivia questions and a poster of the finished product.

ECO-TAINING  
WITH TALKING TABLES

We believe a business can prioritise people and the planet and be successful. We're on a mission to reduce our environmental impact and provide sustainable choices so people really can plan it, host it and love it.

OUR COMMITMENTS

Plastic  
Free

We're phasing out single-use plastics: 91% of our autumn/winter 22 collection is free from single-use plastic. This year we will remove all plastic packaging from our birthday candles and from inside our puzzles.

Home  
Recyclable

Our paper products are recyclable and by that we mean home recyclable – just pop in your recycling bin. Some of our napkins are home compostable too.

Re-Use  
Where a product cannot be recycled we ensure it's built to last so it can be used again and again. Or 'recycled' via a charity shop so someone else can enjoy it. And all of our fabric products are made from organic cotton, reducing water and pesticide use.

People  
First

We're putting our people first – for example, everyone at TT has £500 a year to spend on their well being. And volunteering days are an important part of our giving back activities which also include charity fundraising.

FSC  
Forests

We're committed to sourcing in the most ethical, sustainable and socially conscious way possible. We have held an FSC licence since 2012.

Net  
ZERO  
By 2030

We don't think the global goal of achieving net zero carbon emissions by 2050 is good enough. So we aim to be net zero by 2030.

Replanting  
Trees

We are committed to the long-term environmental benefits of offsetting through tree planting. This year we have expanded our tree planting with Ecologi, offsetting all the paper used to produce our paper napkins and games.

B  
Corporation

B Corp certification (stands for Benefit Corporation) is only granted to companies meeting high social and environmental standards. We believe in everything BCorp stands for and we've met the qualifying standards and have applied for accreditation which we're expecting this year.

# READ ALL ABOUT IT

Talking Tables believes working with influencers is one of the best ways to create positive buzz and build trust around our brand. We have a major influencer programme supporting our collections. We also work with the press and are regularly featured in such prestige titles as House Beautiful, Good Housekeeping, Stylist and The Independent. We're very active on Instagram – send us your photos and we will post them.

Our collections are supported by high quality imagery available to our retail partners and accessed via our image library Photo Shelter.

# HOW TO CREATE A SUSTAINABLE TABLE

Planning a sustainable table is especially creative and rewarding – and a great talking point for guests. Follow these five top tips for an extra special gathering.

**Charity find.**  
Give a previous loved item, like this tablecloth, a new lease of life.

**In season.**  
Choose flowers and foliage for your Christmas table that are in season.

**Support a local business.**  
Such as an independent store like a local farm shop for some treats for the table.

**Plastic free and recyclable.**  
Our napkins and crackers are plastic free and can be popped in your home recycling bin after use.

**Reusable.**  
Dust down those candle holders that have been sitting on the shelf and bring out for this special occasion.
