## ROCKSAX LUGGAGE

Our suitcases are made from polycarbonate and diamond-debossed ABS hard-shell materials with an internal alloy telescopic handle with push button system, adjustable to a variety of heights. Side-mounted TSA locks and top and side carry handles are included for easy lifting, finished with a multi-pocket 210D lining with internal elastic straps help keep your items secured whilst being manoeuvred on state-of-the-art 360 degree wheels. Our Cabin Carry-on, Medium and Large Suitcases are designed to fit inside each other for easy storage. Includes a non-woven polypropylene dust storage cover.

# CASE FEATURES

**Zip/Case Locks**
