

STITCHFINITY Make Your Own Jewellery Kits

Five designs of earrings and brooches

- ♥ Watermelon
- ♥ Heart
- ♥ Donut
- ♥ Pizza
- ♥ Orange

Ideal as an **easy introduction to cross stitching** or as a fun and **quick project for stitching pros**.

Bright, bold, colourful jewellery that's sure to get noticed.

Kits contain:

- An **enjoyable stitching experience** (14 holes per inch plastic canvas is easy to stitch on and DMC threads are brilliant, there's a needle too!)
- **Durable and hypoallergenic** earring findings (sterling silver fish hooks and jump rings, plastic stoppers)
- Or a brooch back and felt to cover your stitching
- A **helping hand** (easy to follow pattern and clear instructions on how to assemble)

Designed and made with love in the United Kingdom.

STITCHFINITY x WellChild Advent Calendar 2022

After the success of 2021's Advent Calendar, STITCHFINITY have been developing 2022's completely different design, available in limited numbers for wholesale stockists. (Only 500 available)

Wholesale £22
RRP £49.95

There will be **24 individually numbered envelopes** inside, for a **daily dose of crafting** in December. Each envelope contains an individual pattern, stitching materials or some construction instructions small enough to accomplish in one evening. When the daily projects are all combined, they will form a **showstopping Christmas decoration**, as well as some pieces with a dual festive use!

Best of all, **every purchase supports WellChild**, a fantastic charity that helps children and young people with exceptional health needs to be cared for home instead of hospital. This means that your Advent Calendar won't just look good, it will do good too.
