

SPICE KITCHEN TRADE CATALOGUE

HOME GROUND, HAND BLENDED SPICES - SOURCED, SELECTED AND BLENDED THE OLD FASHIONED WAY

Our spices are loved by our customers. They're also loved by the Great Taste judges. We won Gift of the Year in 2019, and were praised highly by the Independent, the Guardian, The Times and The Hairy Bikers. Sold in traditional tins and gift wrapped in authentic Indian silk sari fabric, these tins are a crowd favourite, ready for your shelf.

We're a mother and son team with one goal: to honour our Indian heritage and make our ancestors proud, with spices! We started this business as a retirement project from my mum's kitchen table, and that's still where our inspiration comes from to this day.

We're super proud of what we produce, and always thrilled by the positive feedback we receive, like this:

"They are honestly the freshest, most fragrant spices I've ever used."

~ **Masterchef Winner, Dhruv Baker**

OUR SALE OR RETURN OFFER

THE EXCITING BIT

We offer Sale or Return to all our stockists. Are we crazy? Not really... Let us explain.

- Our tins fly. We know this. But this offer hopefully proves it by us taking all the risk and putting our neck on the line.
- We want a relationship with you. Long term. Better than you have ever had before. Put simply, we are not about one night stands.
- We want to encourage you to try our lovely products, especially if you have never sold food gifts before. If you don't try you'll never know...
- Food gift sales are increasing all the time: it's why we have grown year on year for the past 10 years. Let us help you do the same.
- We get that retail can be hard, so we are removing the risk to you. Sanjay knows this from first-hand experience. Our sale or return offer aims to remove that risk and support you.
- We will **ALWAYS** exchange or credit any spice tins that go close to shelf life or beyond their best before date.
- You **NEVER** have to worry about shelf life. We will always send you fresh spices to replace any that go close to the best before date.
- Lots of retailers are losing out on last minute festive sales. We **REALLY** want you to keep high stock levels all the way up to Christmas. If you don't want to list our tins outside of this period then simply return them for a full refund.

THE BORING BIT: CONDITIONS FOR SALE OR RETURN

- Sale or Return is for the larger spice tins only.
- First invoices must be paid pro forma and all subsequent invoices within 30 days, late payment will void this offer.
- Spice tins must be returned in a resalable condition.
- Return shipping must be organised and paid for, at the buyers expense.
- We will offer to exchange spice tins for a line that works better for you, apply a full credit or refund with bank details.
- We currently have no definitive timescales for returns, but we would hope retailers to try our products for at least 6 months.
