MAKE YOUR OWN

Catalogue

Puddle Day Crafts is a fun brand offering a range of affordable craft kits for children. All the kits have been designed and assembled in the UK using the highest quality components

MAKE YOUR OWN

Puddle Day Crafts 'Make your Own' range of craft kits include most of the materials you need but may need some glue and parental help following instructions and using scissors. These kits are aimed at children aged 5+, but they are also very popular with adults

PAINT YOUR OWN

Our range of paint you own craft kits includes all the materials you need in the box to create your chosen decoration. These kits are aimed at children aged around 3-7

Packaged in recyclable board packaging and with EN71-3 child safe, superwashable poster paint tubes from Primo

Primo is a 3rd generation family owned business who make their paints in their production facility in Northern Italy - powered by solar power, eco focused to use of natural materials and reduce any industrial impact on the environment - children and the future generations to come are at the centre of their business.

Tartan Fairies

Puddle Day Make Your Own Tartan Fairies are simple little fairy dolls made from an old fashioned wooden clothes peg, and a pom pom.

The range of fairies has 4 different Scottish clan tartans to choose from and the kit contains all the ribbon, a wooden peg and a pompom maker discs.

Each kit requires some basic drawing/painting tools for decoration, some PVA glue and a pair of scissors.

Tartan Fairies

Trade £2.50 ex VAT

RRP £5.00

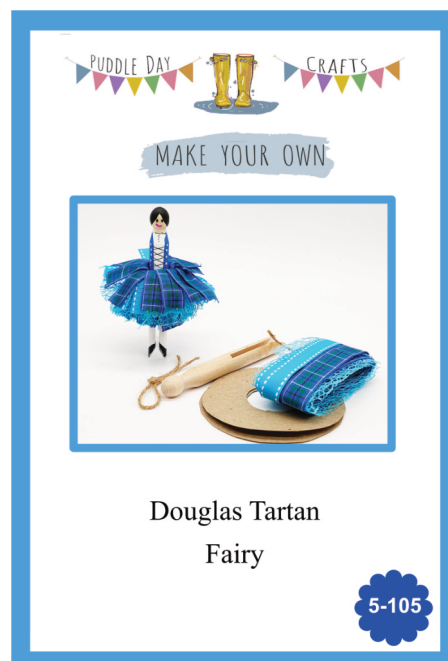

Min Order 6 per design (packaged in compostable bags)
