Live edge acacia top

Live edge acacia worktops are a great way to introduce natural beauty and modern flair into any kitchen. Acacia is a hardwood with unique characteristics that bring a rustic yet contemporary feel to any space. The use of live edge accents creates an organic aesthetic that is sure to turn heads.

Ciara collection

Introducing the Ciara collection – an exquisite range of furniture that brings together style and convenience. This collection is perfect for anyone looking to upgrade their bedroom décor with a timeless, modern look. Featuring a selection of beds, dressers, nightstands, and mirrors in various sizes, shapes, and finishes, the Ciara collection has something to suit any home or taste.

Belfast Dining Set

Belfast Dining Set is an exquisite collection of furniture, perfect to add a touch of elegance and sophistication to any home. This set is made with the finest materials, designed to last through generations and provide a luxurious dining experience. The pieces are all handcrafted and finished with attention to every detail. From the solid wood construction to the stylish design elements, this set offers quality craftsmanship that will bring years of enjoyment and style to your home.
