SHAGGY

Discover the perfect shaggy rug to add a touch of warmth and style to your home.

Although shaggy rugs rose to popularity during the 1960's and 1970's, it's easy to see why they have continued to remain one of the most popular styles of rugs found in homes today.

Our HMC collection has a stunning range of shaggy rugs in different colours and textures. From our dense and luxury **Mayfair** to the exceptionally soft **Luxe Faux Fur**, we make it easy for you to find a rug to fit your home.

JUTE

Jute is becoming a popular choice for home decor as it's an extremely hardwearing and sustainable material that is made from the stem of the jute plant. It's an easy to grow plant that requires very little fertiliser, pesticides or water and is ready to harvest after only 100 days, making it the perfect eco-friendly piece for your home.

This range is hand woven in India from durable and sustainable jute, creating a unique woven texture with a 2cm pile height. Due to the natural material, there may be small variations in the colour and yarn thickness, which makes each rug unique.
