WEST MIDLANDS UPHOLSTERY LTD

Established in 2004, we are a British manufacturer of Sofas and Chairs, based in Tipton in the West Midlands. We offer a wide variety of models and designs, handmade by our dedicated team of frame builders, sewers and upholsterers.

Our models range in design from traditional to modern contemporary.

All our sofas are available in either 2 or 3 seater. We also offer a range of luxurious fireside and accent chairs as well as extras such as footstools, armthrows, scatter cushions and head rests. As we are a manufacturer, any model can be made to any size to suit your customer's requirements. We can alter seat heights, depths, overall lengths and add extra seats if required.

We offer a huge range of quality fabrics from leading UK fabric suppliers.

Any fabric can be selected for any model. All our models are supplied with medium density foam seats and fibre back cushions. Softer or firmer cushions can be supplied at a small supplement.

All our products meet the Furniture and Furnishings (Fire) (Safety) Regulations 1988. Cribb 5/Source 5 fabrics are also available which should be used in the public sector.

Our standard delivery period is 5 to 7 weeks (collection approximately 4 weeks).
