MADE IN WALES

San Jose - Shadow Matt & White Matt

Discover the captivating charm of our San Jose range, thoughtfully designed to bring timeless beauty and elegant refinement to your home.

Each piece showcases intricate and symmetrical motifs that transform your space into a visually enchanting environment. Creating an ambiance that is both captivating and inviting. Enjoy the elegance of our San Jose Range, whichever room you choose to place it in.

Further information on the San Jose range can be found on our Bedroom web-page.

Dorset - Modern Oak

The defining feature of the Dorset range is the detailed engraving on the doors and drawers which creates a unique aesthetic. Available in a choice of wood effect finishes, you can choose the perfect combination of pieces to complete the mood of your room.

Further information on the Dorset range can be found on our Bedroom web-page.

Las Vegas - Mushroom

Introducing the delightful Las Vegas range, a stunning piece of furniture designed to elevate your bedroom decor. With its sophisticated charm, this range boasts a captivating aesthetic, featuring diamond patterns on the drawer fronts.

This range is built to last, ensuring both durability and timeless beauty. Its spacious drawers provide ample storage for your clothing and essentials, while the diamond-patterned facade adds a touch of opulence to any bedroom.

Further information on the Las Vegas range can be found on our Bedroom web-page.

Nashville - Kashmir Matt & Nebraska

Our remarkable Nashville range, thoughtfully crafted to transform your home into a haven of contemporary style. Designed with impeccable attention to detail, each piece in this range showcases sleek linear patterned fronts that add a touch of modern sophistication to any space.

Our furniture range offers durability and longevity, ensuring years of enjoyment. Elevate your home's interior with the timeless elegance of our Nashville Range and make a statement that reflects your refined taste.

Further information on the Nashville range can be found on our Bedroom web-page.

Pembroke - Grey Ash

This lovely furniture set would be a beautiful addition to any home, with its wood effect finish and robust design. Boasting a stylish traditional look that will complement a wide range of décors.

This set offers you plenty of storage. Built to last, these pieces feature scratch resistant veneer which resists the wear and tear of daily life.

More information on the Pembroke range can be found on our Bedroom web-page.

Pixel - Duck & Bardolino Oak

The repeated texture of our Pixel range brings tactility to your surfaces, helping you to build the room style you are dreaming of. With its thoughtfully designed legs, this range adds an extra touch of style that adds interest to the room of your choice.

Each piece showcases intricate and symmetrical motifs, bringing subtle Georgian style to your room.

Further information on the Pixel range can be found on our Living web-page.
