About us

Lassic is one of the UK's leading suppliers of flat packed quality furniture at great prices. We source, import, and distribute a vast range of items to various corporate and independent retailers nationwide and in Europe.

Our mission is to provide everything for the home at discount prices.

We're a family-owned business with over 20-years of industry experience. We have teams of staff and manufacturers based in the UK, Far East and South American offices. Together with our in-house team of designers and buyers we source and supply any product according to your own design specifications and packaging requirements.

Based in West Yorkshire, our large 400,000 sq ft warehouse and distribution centre means we deliver quickly and efficiently throughout the UK and Europe, as well as provide a comprehensive drop-ship fulfilment service. With no demand too high, all orders received before 12pm will be dispatched same day with a variety of courier options available including a Next Day Delivery service. For large volume orders we offer competitive prices sourcing directly from our factories.

Our great value, quality product and excellent service are why you will buy from us time and time again.

Why choose Lassic?

- A name you can trust**

We have over 20-years industry experience operating with small independent retailers to large blue-chip companies.

- Plenty of choice**

We have a wide variety of products available from small bathroom accessories to big king size beds. We are always launching new and exciting items making sure there is something for everyone.

- Value for money**

Extremely competitive prices for good quality products.

- Stock availability**

Thousands of items are all stocked in our large warehouses based in West Yorkshire.

- Easy ordering**

We accept small MOQs and only £500 for carriage paid. We also have a variety of payment methods available.

- Flexible fulfilment services**

- Stock in – We stock and fulfil your product range requirements from our 400,000 sq ft warehouse space.

- Direct containers – With a vast international manufacturing network we deliver directly to your distribution centre on an FOB basis.

- Dropship – We have created our dropship service to assist buyers in growing their online categories.

- Reliable fast delivery**

All orders received before midday will be dispatched the same day and our close location to major motorway networks means we deliver quickly and efficiently throughout the UK.

- Selling support**

Product information and high-resolution imagery can be provided for all items.

- Specialist staff**

Our friendly and experienced after sales and customer service staff are always happy to help and support no matter what the query.

GARDEN

We offer a wide variety of garden furniture and accessories to make the most of any outdoor space. Our rattan furniture sets are suitable for the smallest of balconies to the largest of gardens, and don't worry about the typical British weather with our selection of gazebos. As the evenings get lighter enjoy some al fresco dining using one of our BBQs, and our firepits and chimeneas are the perfect way to keep warm.
