# About us

Lassic is one of the UK's leading suppliers of flat packed quality furniture at great prices. We source, import, and distribute a vast range of items to various corporate and independent retailers nationwide and in Europe.

Our mission is to provide everything for the home at discount prices.

We're a family-owned business with over 20-years of industry experience. We have teams of staff and manufacturers based in the UK, Far East and South American offices. Together with our in-house team of designers and buyers we source and supply any product according to your own design specifications and packaging requirements.

Based in West Yorkshire, our large 400,000 sq ft warehouse and distribution centre means we deliver quickly and efficiently throughout the UK and Europe, as well as provide a comprehensive drop-ship fulfilment service. With no demand too high, all orders received before 12pm will be dispatched same day with a variety of courier options available including a Next Day Delivery service. For large volume orders we offer competitive prices sourcing directly from our factories.

Our great value, quality product and excellent service are why you will buy from us time and time again.

## Why choose Lassic?

- **A name you can trust**
