WHERE TIMLESS DESIGN AND
MODERN TECHNOLOGY MEET

*Family
values*

ALEAL is an internationally renowned brand of luxury home furnishings recognized for its original, unique designs and impeccable quality. We have been creating beautiful furniture and accessories since 1975 and our collections have been installed in prestigious residences worldwide and in many exclusive commercial and hospitality projects. ALEAL's wide range of products is produced with the best quality materials at our factory in the north of Portugal.

The creation of luxury home furnishings at this level of Design and Quality can only be achieved by staying abreast of lifestyle trends and choices, by envisioning designs that "are part of the customer's individual story" and by employing the services of an unparalleled team of skilled craftsmen that bring the designs to life.

State of the art manufacturing technology allows the craftsmen to leverage their unique skills and to build products at a level of refinement that would not otherwise be possible.

ALEAL is a family owned business. Started by Zeferino Leal in 1975 as a very small furniture factory, ALEAL has now entered its fourth decade and its second generation. Zeferino's daughter's, Daniela Leal and Sandra Leal grew up in the business and are uniquely qualified to provide ALEAL with present and future Leadership. While ALEAL has changed with the times, a core of strong family values remains at its heart. ALEAL's primary goal is Customer Satisfaction and as such, we maintain very close relationships and personal bonds with our customers.
