Case Study

The Keynsham Courtyard

The Keynsham Courtyard dates back to the 1700s when it was a popular coaching inn. Situated in Bristol, the Keynsham is now a lively pub and impressive music venue.

It's one of our most recent and enjoyable projects to date and oozes personality and style.

The former wine bar underwent a major refurbishment in early 2023, kicking off with a hugely successful opening ceremony in early February. The refurbishment included work to the bar area and all interior furniture, as well as updating the flooring and frontage of the venue.

The client's decision to go for a bold, vibrant choice of fabrics really paid off - setting the tone for a fun, cheerful design scheme for this lively venue.

The mix of **Avon** and **Lisbon** chairs, both dining and bar height, adds variety and depth to the space, giving customers plenty of options for comfortable seating.

The fabrics chosen were **Imbali Floral** with **Adley Blush** and **Pumpkin** to add a pop of pattern and colour.

The choice of **Weathered Oak** and **Vintage wood** finishes rounded things off with warm tones to tie everything together and create a cosy, welcoming feel.

Offering hot drinks, homemade cakes and a relaxed atmosphere in the early hours of the day, the use of our **Cylinder Stools** in more casual and relaxed areas works perfectly.

The clients were delighted with the results and the furniture has breathed new life into their venue.

If you have any queries about any part of the planning, buying and delivery process visit our website or call our sales order hotline 01295 758536 to speak to one of our sales team or designers today.

This customer chose to update their former Pub Stuff furniture after 12 years of good use. That's just enough time for the trees to have grown back! They went for a full change, opting for **Lisbon's**, **Traditional High back**, and **Avon Bar** chairs.

This pub in Rochester went for a traditional pub feel, opting for dark wood finishes and incorporating colourful, contemporary fabrics with plenty of pattern and personality.
