*Embrace your Space*

We are FLEXLUX – a passionate, skilled and experienced manufacturer of beautifully designed sofas, design chairs and relax chairs – with an eye for comfort.

In our collections you will find furniture crafted for the contemporary consumer. Combining Italian aesthetics, Scandinavian innovation and Danish design values we craft appealing, comfortable and affordable quality furniture for modern homes.

As furniture makers, designing attractive and comfortable spaces is key to us. We believe that great design can engage the senses and unite spaces to memorable places. Your home is your sanctuary, a personal place where everyday meet big defining moments. It's the space where you can create those precious moments, when you step out of the daily grind and into your special space - where you can just be you and have the time to recharge - that is where you'll find us.

There is a special space for everyone in this world  
– and we can help design it.

## *Air Channel Technology*

The integrated Air Channel Technology for your ultimate comfort. The innovative Air Channels ensure long-lasting comfort without compromising on breathability.

## *Dynamic Back Adjustment*

The mechanism in our FLEXLUX chairs lets you change positions smoothly and effortlessly, following your movement when you lean back. The seat and back angle adjust to your body and provide lumbar and neck support in all positions.

## *Multi Adjustable Neck Rest*

The multi adjustable neck rest has a two-step function, so you quickly and effortlessly can change position. The Flexlux headrest is adjustable in height and angle, in order to give you the best position for reading, watching TV and relaxing.

## *Flexlux functions*

### *Gas spring mechanism*

With the gas spring mechanism your favorite position is just a pull away. The gas spring mechanism allows you to change positions smoothly and effortlessly, ensuring a calm place to relax.

### *Integrated footrest function*

The motion touch panel is based on the same technology as the gas spring mechanism. The panel is placed under the arm, perfectly for adjusting the back angle and the integrated footrest with a double motor function. This ensures that you will find pleasure in every moment. Choose between a solution with cable or a wireless solution with rechargeable battery.
