Stina

Stina is very likely the ultimate sofa bed in disguise. With a welcoming rounded shape and generous expression, Stina will be equally appreciated for its strikingly modern visual looks as for its practicality and high comfort. Stina is voluminous, looks inviting, and when converted into a bed, you will be surprised that the sleeping comfort is no different to the comfort of a real bed! No wonder it is a pleasure to rest both eyes and body on this model.

Lucy

Challenge accepted. Turn something as practical as a sofa bed into a stylish piece of furniture. And do not forget, it should be just as comfortable and useful for a good nights sleep as for marathon viewing your favourite show. Our sofa bed Lucy passes the test with excellence. Available in two sizes and with optional storage, it should provide plenty of customization options for the picky ones as well.

Lukas

Looks are deceiving. From the outside it looks just like a regular sofa, but inside there's a generous, comfortable bed with a real mattress just waiting to be released in three simple moves. The perfect solution when you don't want your guests to leave, or to help you triumph over the challenges of living in a small space.
