ABOUT US

A boutique furniture manufacturing plant with a rich family heritage, Creating exquisite, handcrafted designer pieces for close to a decade. Collaborating with over 100 talented designers, igniting creative sparks. Forging fruitful alliances with more than 50 trusted trade partners. Providing peace of mind with a generous 2-year warranty on our beds and sofas, Ensuring durability and longevity with an impressive 10-year warranty on the framework. Excelling not only in our own creations but also offering white label services for any upholstery needs.

BASED IN EU

By establishing a close-knit collaboration with wood, fitting, and fabric suppliers, we are able to craft exceptional products that seamlessly blend quality and style, all while ensuring they are priced perfectly for the market.

MATERIALS

Exclusively embracing ecological solid beech wood and birch plywood framework, we prioritize sustainability in our product construction. With great care, we curate a captivating collection of over 300 high-quality fabrics to ensure our offerings are nothing short of exceptional.

FITTINGS

We source elegant fittings from renowned Italian, German, and EU manufacturers, ensuring that our products exude a sense of sophistication and refinement. These carefully selected fittings enhance the overall aesthetic appeal of our items while maintaining their functionality and durability.

TRADE PARTNERS

We have fostered enduring partnerships with wholesale clients and marketplaces, recognizing the value of collaborative relationships in our industry. By cultivating these connections, we not only expand our reach but also deliver our exceptional products to a wider audience. These alliances enable us to consistently meet the demands of different markets while upholding our commitment to quality and style.

HANDCRAFTED COLLECTIONS

With an extensive selection on our website of 78 bed styles, 50 sofas styles and over 20 armchairs to choose from, we have thoughtfully categorized our furniture into collections that embody diverse cultural influences. Each collection reflects a unique aesthetic and design sensibility, allowing you to choose from a variety of cultural styles that resonate with your personal taste and preferences. Whether you are drawn to the timeless elegance of traditional designs or the sleek modernity of contemporary aesthetics, our curated collections offer something for every discerning customer.

BESPOKE SERVICES

DESIGNER FURNITURE MANUFACTURING PLANT

Welcome to The Bed, where we take pride in providing exceptional custom furniture services. Our team of highly skilled furniture designers is here to guide you through the entire design process, from conceptualization to realization. With meticulous attention to detail, we will assist you in creating exquisite drawings and captivating presentations that bring your vision to life.
