

YOUR B2C **CARRIER OF CHOICE** FOR LARGE AND NON-STANDARD FREIGHT

With over 25 years' experience within the freight and logistics industry, XDP is a leading parcel and freight network, offering expert delivery services nationwide.

WWW.XDP.CO.UK

WHY **XDP?**

With a range of service offerings, sending your freight through the XDP network provides full visibility, and regular communications from manifestation through to final mile delivery.

I've been using XDP for over 10 years to deliver flat-pack furniture, mattresses, headboards etc., and I'm really impressed with the delivery service I receive (both 1Man and 2Man).
