OTTERS BROOK
COLLECTION

Welcome to The Otters Brook Collection

Style Made Simple

Handcrafted ceramics are matched with decorative tabletop pieces, distinctive wall art and stunning feature size mirrors. These are combined with realistic faux flowers and statement furniture pieces to create a unique collection, which is a hybrid of classic British living with Nordic influences.

The Otters Brook Collection is an aspirational, yet affordable home interiors brand from The Festive Group, a Hedlund company supplying seasonal decorative products for over 40 years.

The Hedlund Group was founded by Alrik Hedlund in 1927 in Gothenburg and continues to be a leader in product sourcing and development across numerous product categories, supplying some of the world's major retailers.

Many of the key products from our first collection are featured in the following pages, to see the full collection please get in touch to arrange a showroom appointment.
