timeless style.

# Fervor+Hue Collection 2025

Welcome to Fervor+Hue

Fervor+Hue is dedicated to creating beautifully- crafted products that bring quiet beauty and timeless design to everyday life, through inspiring colour, timeless patterns and rich tactile textures. From its design studio in Cork, each soft furnishing collection reflects a love of refined interiors and classic textile traditions, reimagined for contemporary living.

Drawing on heritage influences and decades of interior design expertise, Fervor+Hue blends artistry with practicality to bring character into every detail. Each cushion tells its own story, from grounded neutrals and structured weaves to painterly botanicals and velvet richness.

## Fervor+Hue Velvet Stories: Copper & Caramel Collection

---

A collection of statement prints and coordinating plains, where quality craftsmanship meets artistic expression.

## Fervor+Hue Velvet Stories: Classic Mocha Collection

---

From the softest neutral to the deepest hue, colour shapes how we feel.

## Fervor+Hue Velvet Quilted Collection

Velvet Nocturne explores indulgent luxury - where deep colour meets refined texture. This collection of high-quality, quilted throws and feather-fill cushions is designed for effortless layering, creating peaceful, restorative spaces.

## Fervor+Hue 2025 Studio Collection

A sleek edit of modern soft furnishings designed for relaxed styling - minimal but never lacking in character. Featuring cut-pile geometric patterns and soft herringbone weaves, this range is rooted in simplicity and tactile appeal.
