# Valessso Modular Cinema Sofa

# Valessso Modular Cinema Sofa

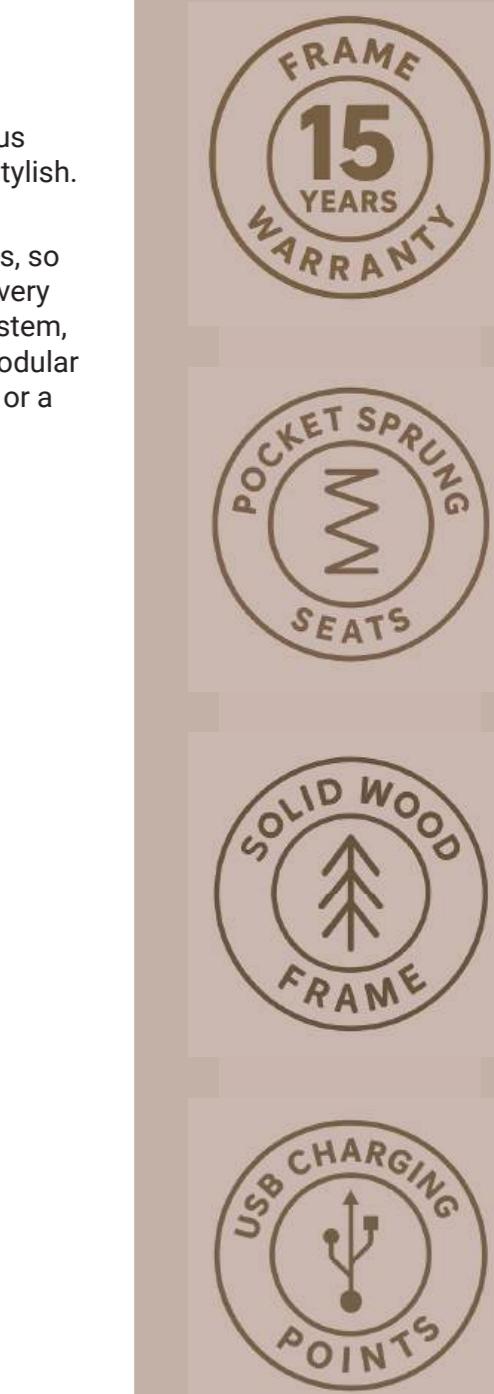

Luxury leather. Premium features. Ultimate relaxation.

The Valessso Cinema Sofa takes home entertainment to a new level with its sleek modular design and luxurious leather finish. Upholstered in corrected top grain leather, it delivers a rich, tactile feel that's both durable and stylish.

Designed for comfort and flexibility, Valessso features smooth power recliners and power-adjustable headrests, so you can dial in your perfect position with ease. Built-in cupholders and hidden storage bring convenience to every seat, while a range of optional upgrades – including ambient lighting, reading lights, an integrated speaker system, storage drawer, and even a console with built-in fridge – create a true cinema-at-home experience. With its modular format, the Valessso can be configured to suit your space – whether you want a simple 2-seater with recliners or a full cinema row with all the extras.

## Key Features:

- Modular cinema sofa design – build your perfect home theatre layout
- Upholstered in premium corrected top grain leather
- Smooth power reclining mechanism for effortless comfort
- Power headrests for adjustable neck and head support
- Integrated cupholders and storage compartments
- Optional ambient lighting for a cinema-style glow
- Optional reading lights for convenience during movie nights
- Optional speaker system for immersive sound
- Optional console with built-in fridge for chilled drinks
- Optional under-seat storage drawer for added convenience

A	B	C	D	E	F	G	H	I
90cm	100cm	111cm	88cm	100cm	60cm	62cm	52cm	88cm

Laid-back luxury. Modern modular style.

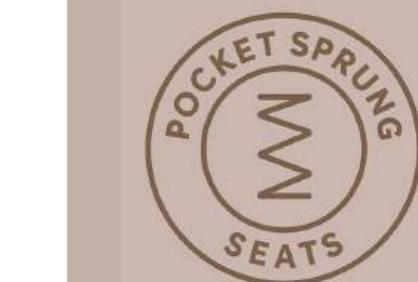

The Alura Sofa brings together soft-touch luxury and contemporary design in a versatile modular format. Finished in a rich suede-effect fabric, it offers an indulgently soft feel and a beautifully plush look, making it the perfect centrepiece for stylish, relaxed living.

Built for comfort and durability, Alura features deep cushioning, a chunky arm profile, and a hardwood frame with braced arms for lasting support. The modular static design allows you to build the layout that suits your space, while the optional ottoman storage box adds practical flexibility.

Whether you're lounging, entertaining, or stretching out with your feet up, Alura delivers effortless comfort in a statement silhouette.

## Key Features:

- Modular static design – configure to suit your space
- Pocket sprung seats with high-density foam for deep, plush comfort
- Durable hardwood frame with braced arms for added strength
- Upholstered in a luxurious suede-effect fabric
- Chunky arm design for bold, contemporary appeal
- Optional ottoman storage box for extra flexibility

# Ascend Rise and Recline Chair

# Ascend Rise and Recline Chair

Product	A	B	C	D	E
Chair	104cm	94cm	78cm	64cm	53cm

Supportive comfort, smooth motion, and effortless standing assistance.

The Ascend Rise and Recliner Chair is designed to deliver the perfect combination of comfort, support, and mobility assistance – ideal for those who value ease of movement without compromising on style.

With a smooth-operating dual motor system, the Ascend allows independent adjustment of the backrest and footrest for tailored comfort at the touch of a button. When it's time to stand, the rise function gently lifts and tilts the chair forward to help you to your feet with confidence and control.

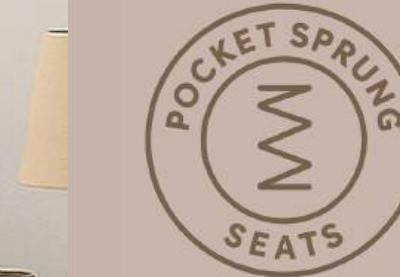

Built with a hardwood frame, braced arms, and pocket sprung seating, this is a rise and recliner chair you can rely on day after day. Available in a choice of leather or soft-touch fabric upholstery, the Ascend fits beautifully into both traditional and modern interiors.

## Key Features:

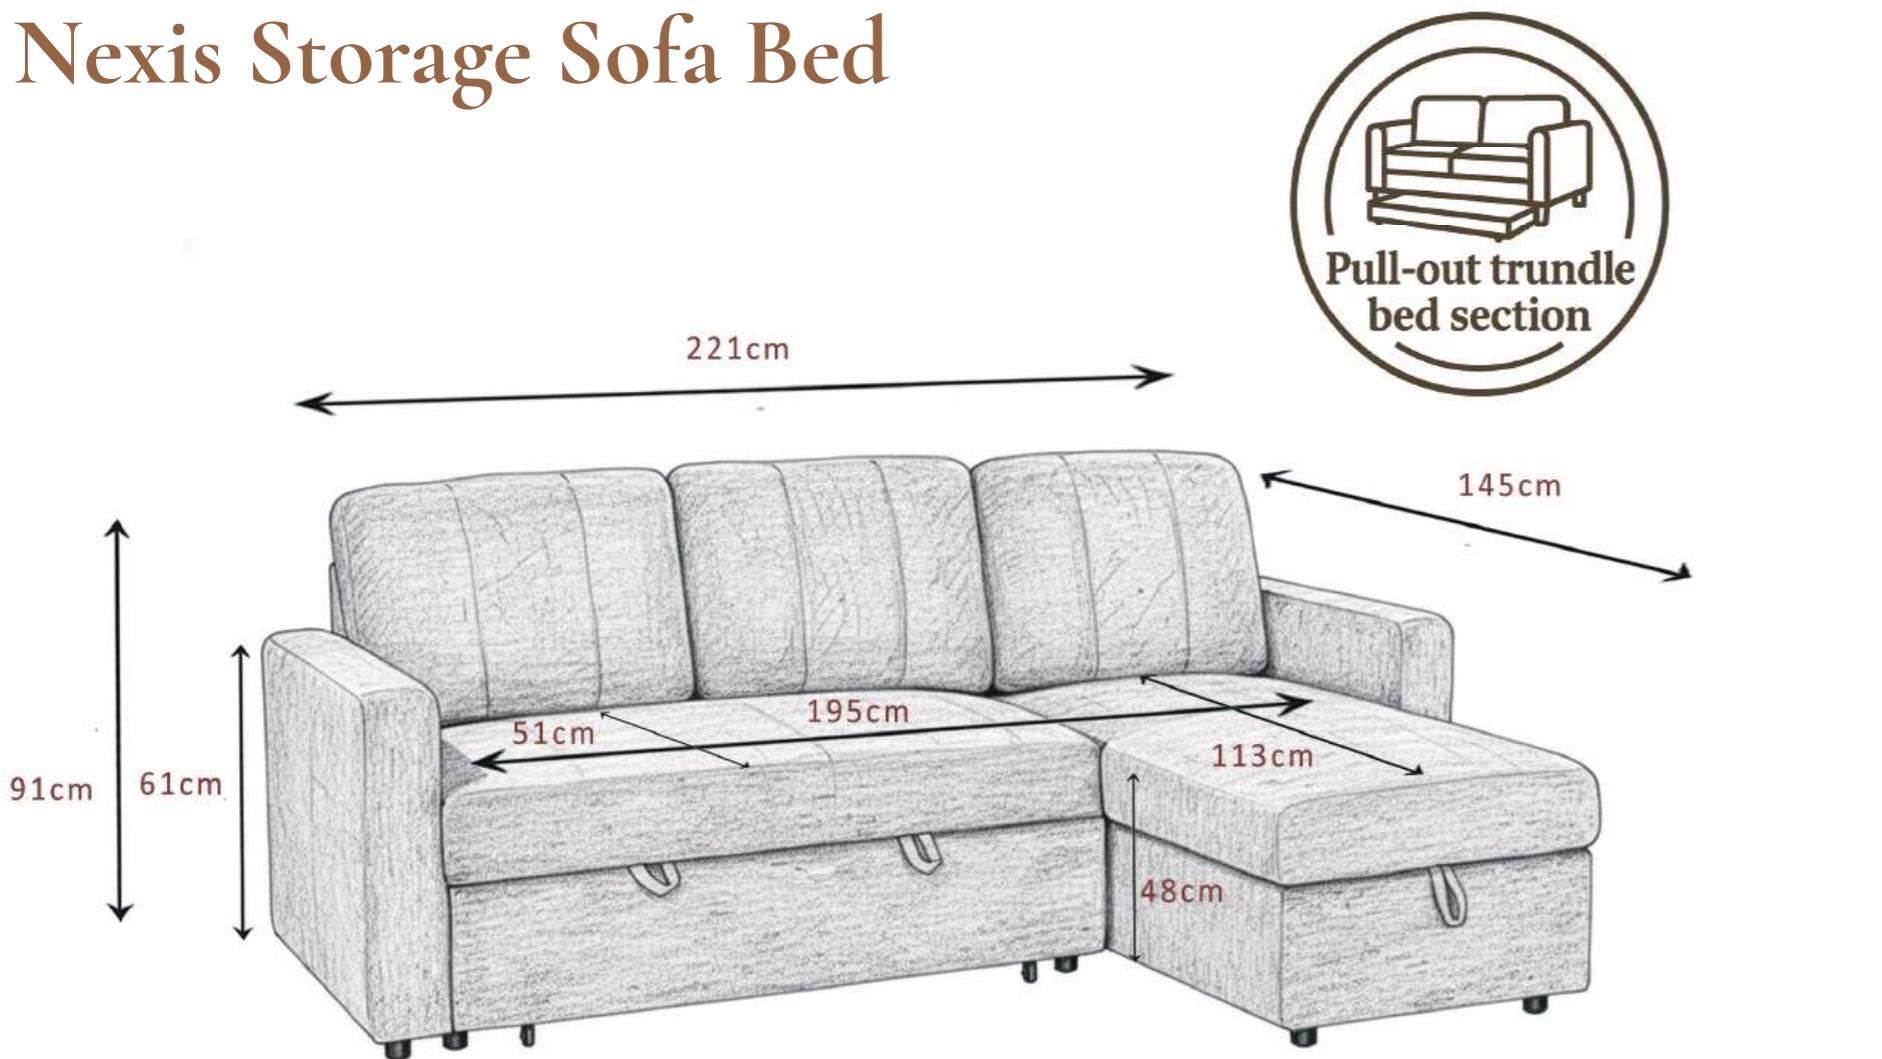

- Dual motor system for independent back and footrest control
- Smooth reclining function with precise positioning
- Rise function for safe, assisted standing support
- Pocket sprung seat with high-density foam for lasting comfort
- Hardwood timber frame with braced arms for durability
- Available in premium leather or soft-touch fabric finishes

# Nexis Storage Sofa Bed

# Nexis Storage Sofa Bed

An elegant balance of comfort, craftsmanship, and contemporary practicality, designed to adapt effortlessly to modern living. With versatile functionality and premium materials throughout, this sofa offers both everyday relaxation and smart space-saving solutions without compromising on style.

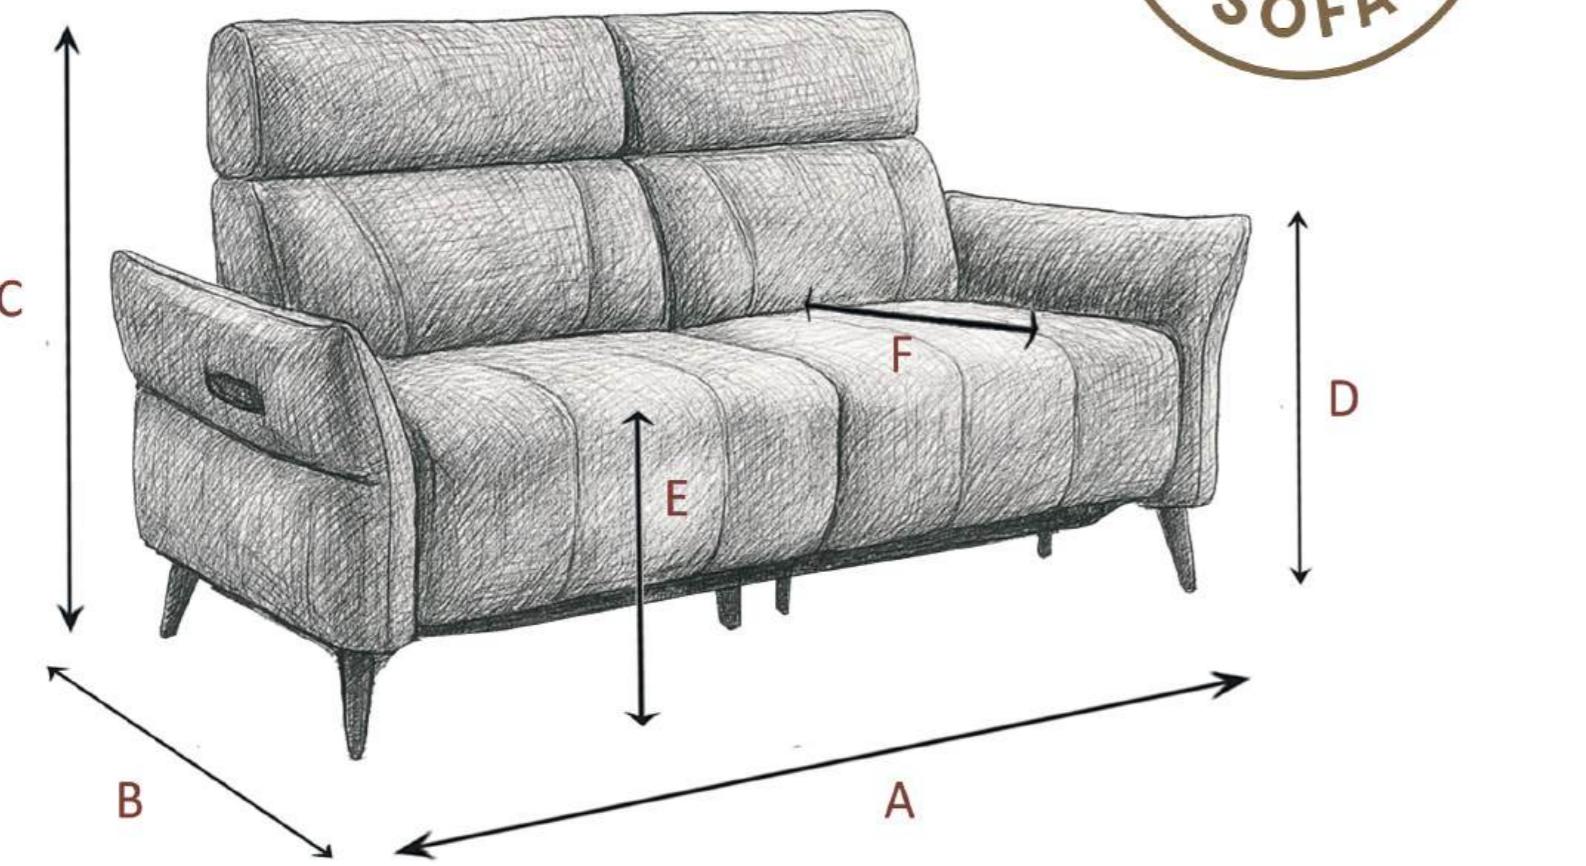

- Pull-Out Trundle Bed – Easily transforms the sofa into a generous sleeping space for guests or overnight comfort
- Lift-Up Chaise Storage – Discreet built-in storage compartment, ideal for bedding, cushions, or everyday essentials
- Flexible Configuration – Available in left-hand or right-hand facing layouts to suit your living space
- Pocket Sprung Seating – Individually pocketed springs combined with high-density foam for superior comfort and lasting support
- Enhanced Main Sofa Comfort – Designed to provide excellent seating support for everyday use
- Solid Hardwood Frame – Durable hardwood timber construction with reinforced arm structure for long-term stability
- Soft Wool-Effect Upholstery – Available in Natural, Light Grey, or Charcoal to complement a wide range of interiors
- Premium Hardware – Quality mechanisms ensure smooth operation and dependable performance over time

# Axis Recliner Sofa

# Axis Recliner Sofa

Premium design. Elevated comfort. Uncompromising quality.

The Axis Recliner Sofa combines sophisticated styling with cutting-edge comfort features, making it the perfect choice for modern interiors with a luxury edge. Upholstered in premium aniline leather, the Axis showcases the natural beauty and character of real leather, offering a rich, tactile feel that improves with age.

Beneath the surface, the Axis is engineered for performance and support. Smooth power recliner mechanisms and power-adjustable headrests allow you to fine-tune your position with ease, while pocket sprung seats with high-density foam deliver exceptional comfort.

A solid hardwood frame with braced arms ensures durability and structure, while premium hardware throughout guarantees long-term reliability. Designed to look as good as it feels, the Axis delivers standout comfort without compromising on style.

## Key Features:

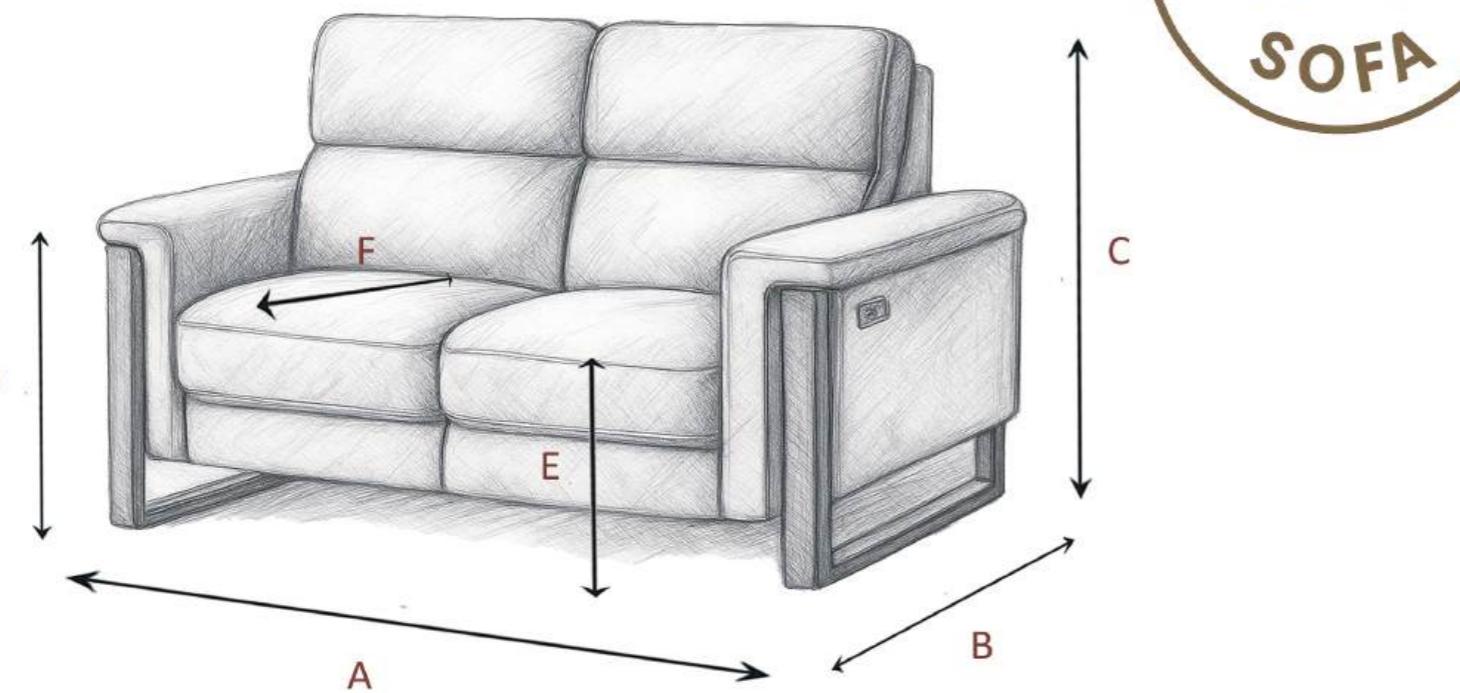

- Premium design-led recliner sofa with clean, contemporary styling
- Upholstered in luxurious aniline leather for a natural, high-end finish
- Smooth electric recliner mechanism for effortless comfort
- Power headrests for adjustable neck and head support
- Pocket sprung seat cushions with high-density foam
- Solid hardwood timber frame with reinforced, braced arms
- Fitted with premium-quality hardware for long-term durability

2-Seater	165cm	96cm	102cm	65cm	47cm	56cm
3-Seater	217cm	96cm	102cm	65cm	47cm	56cm

Where heritage styling meets modern innovation.

The Huxton Recliner Sofa blends classic and contemporary elements to create a standout piece for stylish living spaces. Upholstered in rich aniline leather, it offers a natural, breathable finish with beautiful character and softness that improves over time.

With its manually adjustable headrests, the Huxton lets you personalise your comfort, while thoughtful design features like built-in storage and integrated wireless charging bring practical convenience into the mix. The distinctive arm profile and exposed metal base give a refined edge to the traditional silhouette.

Under the surface, it's built with all the quality you'd expect – from the hardwood frame with braced arms to premium pocket sprung seating and high-density foam cushions for long-lasting support.

## Key Features:

- Blends contemporary and traditional design elements
- Upholstered in luxurious aniline leather for a soft, natural finish
- Manually adjustable headrests for personalised comfort
- Built-in storage compartment for added practicality
- Integrated wireless charging pad for modern convenience
- Pocket sprung seats with high-density foam for premium comfort
- Solid hardwood frame with reinforced, braced arms
- Premium-quality construction and hardware throughout
