Here at Scatter Box, we care about our carbon footprint and so do our customers.

Introducing Earth Kind, our first-ever fully sustainable range, made of all recycled materials.

Oeko-Tex and GRS certified, this means we are giving plastic waste a second life that would have otherwise ended up in landfill.

In addition to helping the environment, we've maintained the soft and luxurious quality that our customers have come to expect from Scatter Box.

The Earth Kind Erin velvet cushions are available in 8 versatile colours.
