WYLE BLUE SPRING 23

2023 Jewellery Lookbook

OUR STORY

WYLE BLUE WORLD is a small independent shop in Shrewsbury, founded in 2018 by owner Belinda. Inspired by her passion for travel, she created a unique home and lifestyle store showcasing handcrafted pieces she discovered on her travels.

Not long after opening Belinda invited ex-fashion stylist Hannah to join her team as the store manager and buyer. With a similarly eclectic taste, the duo travelled together on buying trips, discovering the beauty of handmade and WYLE BLUE WORLD went from strength to strength.

The shop is renowned for its beautiful jewellery, so the pair decided to combine their expertise and launch WYLE BLUE WHOLESale, offering a collection of jewellery which embraces bold colours, intricate details and eclectic style.

Every piece is handmade in the heart of Istanbul by skilled artisans using a mix of semiprecious gemstones and 22 ct gold-plated brass.
