Sweet William produces beautiful homewares and gifts. The company is based in Greenwich, London and was set up in 2009 by Emma Wood who decided after 10 years of working in the City it was time to pursue a childhood love of pottery instead.

The success of the Mischievous Mutts range has led to the company diversifying into organic cotton aprons, tea towels, cufflinks, dog tags, greetings cards, key rings, Christmas decorations and wallpaper. All made to the highest standard you have come to expect from Sweet William. The company's new Dog Walkers range has proved a huge hit with dog lovers.

Emma's much loved and adored Black Labrador, William, was the founder, mascot and inspiration behind Sweet William. Sadly we lost our boy in April 2019 just a month before his 15th birthday. Our hearts were completely and utterly broken. It was our love for him that led to the creation of Sweet William. Not only was the business named after him but he was also the muse behind all our designs and products. Initially continuing to run Sweet William without him was incredibly painful however it's now a comfort to know his legacy will always live on through the business. We will continue to develop the brand and products in his honour.

Our newest recruit is Cooper our Golden Retriever. The most confident and cheekiest dog you could ever wish to meet. He's been healing our hearts and filling our lives with joy and laughter.
